ABOUT THIS PACK

This teaching resource pack has been handpicked by the Teach Starter team to include a range of resources that can be completed at home by children with the assistance of their parents or guardians.

The pack includes resources covering the key learning areas of English, Maths and Science, along with some additional craft and mindfulness activities - all for free!

In the rare event of a school closure or if a student needs to work remotely, this pack can be sent home with students or passed on directly to parents and guardians digitally to allow for students to complete the work with minimal preparation and supervision.

The pack is designed to allow for non-teachers to understand and implement the activities in a home environment without requiring additional resources found in a classroom. The pack can be completed digitally on a tablet/iPad or with pen and paper when printed.

For Teachers

Can I share this pack with parents, students and other teachers?

Of course! This pack has been created specifically for this purpose. Please feel free to share this pack digitally with your students, their parents or guardians, or other teachers.

You can share by copying the URL in the address bar of your browser, or simply clicking on the envelope icon above to send to an email address. You can also download the pack, and email the PDF document itself.

Please feel free to bundle this pack with your own home learning activities to extend or reinforce particular concepts for your students. You may also like to add specific activities such as reading, outdoor play, fine motor skills etc.

For Parents

How can I teach my child if their school closes?

By downloading this free resource pack, you will be equipped with a wide range of activities to share with your child while their school is closed.

We have ensured that this pack can be delivered by non-teachers by providing a helpful table of contents and activity overviews. All activities are age-appropriate and most will relate to work that your child has experienced in the classroom.

The activities can be completed in any order and have been selected to allow parents and guardians to easily implement them.

YEAR 2

CONTENTS

English

Editing

20 x Editing Task Cards

Students are required to edit the pieces of text. Each piece of text provides the number of errors and any punctuation that needs to be added. These could be used as a literacy warm-up activity each morning.

Spelling

20 x Spelling Words - Activity Grid

Use these spelling activity grids when working on different sounds. If students have been provided with a personalised spelling list, use the activities provided on the grid to work with their words. If they have not been provided with a spelling list, select 2 or 3 of these sheets to work with. Consider doing a spelling test before selecting the sheet to see which words they need to work on.

Word Work Grid - V1

Students use this grid of 15 activities when working with their spelling words. The activities can be completed using the provided templates or in a workbook.

Reading

2 x Comprehension Worksheets - Team Trials and Helpful Heroes

Students are required to read the text and answer the questions either in a workbook or using the sheet provided.

My Book Report Template

Students can pick a recent text they have read and then complete this Book Report template. Three different versions have been provided.

Grammar

Verb Past Tense Worksheet

Students are required to add the simple past tense verbs to complete the sentences.

Common Nouns and Proper Nouns - Sorting Task

Students cut out each picture and word and paste them into the table under the correct heading.

Persuasive Writing

For and Against - Worksheet

Students cut out the 'for' and 'against' statements and paste them in the correct column of the table provided.

Narrative Writing

Story Map

After reading a story book together, instruct students to fill in the provided Story Map. This could be completed using several different books. Students can also use this template to plan and write a narrative text of their own.

Story Spine Porcupine - Template

Use this writing template to help students plan and order their idea's structure and create a basic 'story spine' before writing their narrative stories.

Informative Writing

Informative Writing - Animal Research Task

An 8 page booklet for students to record facts about animals when learning to write informative texts.

Maths

Operations

Hundreds Board - Mystery Picture - Addition Task Cards

This teaching resource requires students to complete addition problems and colour in number squares on a hundreds board to reveal a mystery picture. Students can draw up their own grid in a workbook or have several copies of the hundreds grid to complete all the pictures provided. A copy with the numbers on the hundreds board and a copy without the numbers has been provided. Use the version that your student requires.

Maths Word Problem Cards - Addition and Subtraction

Students can complete these word problem cards in their workbook.

Maths Activities

2D Shape - My Crazy Cubby House

In this investigation, the students have been asked to design a crazy cubby house to be built in their backyard. They must draw a design on grid paper using a variety of 2D shapes (squares, rectangles, triangles and circles) then colour their design according to the 2D shapes they have used.

Pandora's Party Palace Maths Activity

Students use these sixteen problem-solving task cards in association with the stimulus to work with money in a real-world context.

Science

How Can We Help Our Planet? - Mini Booklet

Students colour the pictures and complete the sentences. Once each section is complete, students cut along the dotted lines and staple their mini book together.

Spacecraft Design Task

Students design, plan and make a spacecraft. A list of suggested materials are on the worksheet, but students can use anything they have available to them.

Other

Mindfulness

Mindfulness Colouring Sheet - Rhino

Students use this sheet when they require a brain break or at the end of the day.

TEAM TRIALS

SUCCESS CELEBRATORS

He shoots -
and he
scores!

"And the player
of the day is...
Kaleo!"

Hey, Felix, are you okay?

I played really well today, but no one noticed! No one ever notices.

You played great. You got a huge cheer from the crowd when you scored your goal.

But I didn't get player of the day. It's not fair!

But you helped our team to victory, which is awesome. I am sure you will get your chance in the next game.

Look at Kaleo. He is so happy, and he deserved his victory today. We should help him celebrate.

Kaleo was incredible today. Maybe I can work as hard as him next week.

That's the spirit.

The Scenario

For years, you have been asking your parents for a cubby house for your backyard. Finally, they have decided to build you one for your upcoming birthday!

Your parents are keen to see your ideas about what the cubby house should look like. They would like you to do a drawing of your ideal cubby house using 2D shapes such as squares, rectangles, circles and triangles. They have promised to build your cubby house exactly the way you would like it - interesting, unusual and crazy ideas are welcome!

The Task

Draw a crazy cubby house design on grid paper using a variety of 2D shapes.

Colour your cubby house design according to the 2D shapes you have used.

Present your cubby house design to your class.

The Procedure

1. Plan your crazy cubby house using the worksheet provided.
2. Use a pencil and a ruler to draw your design on the grid paper provided.
3. Colour your design according to the 2D shapes you have used e.g. squares = red.
4. Present your crazy cubby house design to the class.

The Materials

- Lead pencil
- ruler
- coloured pencils or markers
- grid paper

Planning My Design

1. Use this table to plan your ideas for your crazy cubby house. There is extra space at the bottom of the table for you to add more interesting features of your own.

Which interesting features could my cubby house have?	Which 2D shapes could I use for these features?
an inside play area	
a roof	
doors	
windows	
a fence	

2. Decide which colours you will use for each 2D shape. Add these to the sentences below. There is extra space at the bottom for you to add more 2D shapes if you wish.

I will colour the squares in _____.

I will colour the rectangles in _____.

I will colour the circles in _____.

I will colour the triangles in _____.

I will colour the _____ in _____.

I will colour the _____ in _____.
